

Blue Water Hospice Home
Embrace the vision.....

Pledge Opportunities:

Recognizing the current and very difficult economic times faced by all, as well as the many other worthwhile capital needs throughout our community, we offer a variety of “donor defined” pledge programs that allow donors to make payments over time. While three year pledge times are generally the norm, we recognize that these are not normal times. We are willing to work with each donor, to develop a personalized pledge program.

If you are interested in learning more about our pledge programs, any of the following naming opportunities or would like additional information about the Blue Water Hospice Home, please contact the Chief Development Officer by phone at 1-810-984-4131 or by email at lcottengim@vnabwh.com
